

OXFAM HUNGER BANQUET®

EVENT SLIDES (TO ACCOMPANY SCRIPT)

Thank you for downloading the *Oxfam Hunger Banquet* event slides.ppt file!

This series of slides have been designed to accompany and complement the *Oxfam Hunger Banquet* event script, which can be found in the “How to host an *Oxfam Hunger Banquet* event” toolkit (available for download [here](#)).

Throughout the script, you will see icons/prompts for the use of these slides. This is purely optional; they have been provided to enhance the visual experience of attendees, particularly with virtual events, but the use of which is not required. It is recommended that there is a person designated to manage the process of screen-sharing/advancing/stop screen-sharing of the slides, and ideally, that you have a chance to do a practice run to sync up the use of the slides with the script.
